

LOW GAME BAKER TOURNAMENT – APRIL 13/25

After bowling on Sunday, April 13, bowlers will be put in teams of 3 (one bantam, one junior, one senior) and will bowl 2 combined games (bantams bowl frames 2,5,8, juniors bowl frames 3,6,9 and senior bowls frames 1,4,7,10).

The goal is to get as little amount of pins on each shot without missing. If you get a zero on any ball, you will be credited with the maximum amount of that ball (i.e. gutter on the first ball, you receive a strike, miss on the second ball, you get a spare)

The top 2 teams with the lowest combined 2 game score will be declared winners.
