

## **TWILIGHT ZONE TOURNAMENT – NOV 24/24**

After bowling on Sunday, November 24, all bowlers that enter will bowl one game (with handicap) and the top 50% will advance to the next round (divisions will be used depending on amount of entries and average levels of bowlers)

After the cut to 50%, bowlers will shoot one ball with the low count and ties eliminated after each ball. All the rest advance to throw another ball with low count and ties out once again. This will be repeated until we have our champions.
