

Monday Night Live 10 Pin League

RULES and BY-LAWS

2023-2024 Season

Rule #1 – Membership

1.1 The Monday Night Live League is open to anyone who is 16 years of age or older. An exception will be made if the bowler is 15 but already holds a CTF card for the current season.

1.2 Membership must be paid prior to the 4th week of bowling (October 2, 2022). If arrangements have not been made by this date, the bowler may not be eligible to bowl. Any new bowlers entering the league after this date will be allowed 6 games. After this time a card must be purchased, or they will no longer be eligible to bowl within MNL.

Rule #2 – Time and Tardy Bowlers

2.1 Practice begins at 7:15pm with scoring beginning promptly at 7:30pm.

2.2 A tardy player will be allowed to bowl missed frames so long as the opposing team has not started the 4th frame yet.

Rule #3 – Fees

3.1 Bowling fees will be \$26.00 per week. Shortages, outside of extenuating circumstances will not be tolerated.

3.2 50/50 draw tickets are once again optional; but we ask that bowlers purchase and participate in the draw. The money earned from these draws helps grow our prize funds.

3.3 CTF cards are \$25 each. Mario's Bowl is graciously covering \$10 per bowler of these fees, so long as fees are paid prior to 4th week of bowling (October 2, 2021), meaning your cost will be \$15 under these conditions.

Rule #4 – Attendance

4.1 If a bowler is unable to attend a session, they have the option to pre-bowl or find a spare.

4.2 Pre-bowl times are set by Mario's Bowl, so please check availability with the lanes. Pre-bowl fees are the same as if the bowler is in attendance (\$26).

4.3 Spare bowlers pay \$19.00 and the league member is responsible for the \$7 prize fund fee.

4.4 Bowlers unable to find a spare or pre-bowl will still be responsible for the full weekly fee (\$26) and will be entered as a 'Blind Score' at 10% less their average, for the night.

4.5 League spares (Not assigned to a roster) do not qualify for prize money or league awards.

4.6 League members are responsible to notify their team, the league secretary or the lanes directly that they will not be in attendance, and whether a pre-bowl is available or an absent score needs to be entered.

Rule #5 – Absent Scores

5.1 As previously mentioned, if a bowler must be absent, and is unable to find a spare or pre-bowl, a 'Blind Score' will be used. This score will be calculated based on the bowler's current average, minus 10%, dropping the decimal place (if applicable) plus their regular handicap.

Rule #6 – Team structures

6.1 Monday Night Live is a mixed league. Team Structure can consist of any combination of 4 players (all men, all women, or any combination of both).

6.2 Loaning bowlers is allowed

Rule #7 – Legal Lineup

7.1 The minimum legal line-up shall consist of 2 players, of which 1 must be from the teams current roster. If necessary, a whole team can pre-bowl and still remain eligible for team points.

Note: pre-bowls are counted as regular player

Examples:

2 absent, 1 regular, 1 spare = legal line-up

3 pre-bowls, 1 regular = legal line-up

3 absent, 1 spare = **not** a legal line-up

Please see amendment i on page 6

Rule #8 – Pre-bowls

8.1 Pre-bowling is allowed during limited hours and relies on lane availability. These limitations are set by Mario's Bowl and are subject to change. Pre-bowling during cosmic times are not permitted. When possible, pre-bowls should be bowled on a pair of lanes.

8.2 Pre-bowls are to be left at Mario's and will be picked up by the secretary and distributed to the appropriate team before bowling.

8.3 All pre-bowls should be paid for at the time of bowling, if possible. Mario's staff will provide you with an envelope. Please mark on the front of the envelope the amount enclosed and date pre-bowl is to be used. Should you bank a pre-bowl, please ensure you notify the secretary or the lanes directly that you need to use it. The secretary is not responsible for checking who is in attendance and comparing it to banked pre-bowls.

8.4 Pre-bowls will not be entered retroactively, and post bowls are not permitted unless discussed and voted upon by the League Executive Committee and under extenuating circumstances only

Rule #9 – Payments

9.1 Captains are responsible for collecting weekly bowling fees at the lanes and recording them in their team book and paying the desk. Payment will also be logged in the 'desk book' and verified by a Mario's staff member.

9.2 All unpaid balances must be paid within 2 weeks, otherwise the team will become in-eligible for points until all shortages are paid up. All unpaid balances must be paid up prior to the beginning of roll-offs (the final two weeks of season).

9.3 If a team is using a spare it is that team's responsibility to collect lineage from that bowler prior to the beginning of bowling or to have planned for the team/bowler to cover the fees. A spare can not be in arrears and if they do not pay, the shortage will fall on the team. Please ensure these fees are clear to spares prior to them bowling, or that arrangements are clearly communicated to the team prior.

Rule #10 – Series & Roll-off

- Series #1 – Weeks 1-8
- Series #2 – Weeks 9-16
- Series #3 – Weeks 17-24

10.2 During roll-offs, all 3 games of the night will remain on the same pair of lanes, and teams will not move between games. Lane assignments will change the following week

10.3 So long as the league has more than 8 teams, all team will be divided in to a Championship side and a Consolidation side. Should number of teams be un-even the odd number will compete in championship side with a bye in consolation.

10.4 Lane draw during roll-offs will be a random drawing of Champion vs Consolation.

Rule #11 – Handicap

11.1 The team handicap shall be the sum of the bowler's individual handicaps. The team handicap shall not be limited.

11.2 Handicap is calculated based on 90% of the difference between the bowlers' average and 230. Last season average will be used for first 9 games.

Example: Bowlers average is 170

$$230 - 170 = 60$$

90% of 60 is 54.

Therefore, this bowler will receive 54 pins of handicap.
