

## **National Classifieds Online Shoot-Out**

To all the Qualifiers of the 10-pin open division:

We will be using your league scores from Friday January 5/24 through Thursday January 11/24 for our house round. No Additional cost will be required. The top scratch person from each division will make up Team 1, the second top scratch score from each division will make up Team 2, and so on until 6 teams have been created. These teams will be entered into the online portion of qualifying.

All bowlers who have entered will have a chance to make a team.

Due to unforeseen circumstances a physical in-house qualifying tournament is not possible. We apologise for this and thank you for your understanding.
